Wolfe Island: GREEN REALTIES

1. Why are so many people in favour of wind power for Ontario?

2. What do you consider to be the three most important effects of wind farms on the communities in which they are located?

3. Imagine that you and your family live on Wolfe Island next to someone who has a wind turbine on their property. How would you react?

4. If you were working to support a renewable energy project in your community, what active citizenship strategies would you want to use?
